

Guiding questions for

VIRTUAL TEAM COLLABORATION

Based on the blog post: [“The Surprising Possibilities of Virtual Team Collaboration”](#)

1

How are you planning to observe distance/virtual teacher collaboration in action?

2

What opportunities will teachers have to share practices and routines they are using or adapting for virtual settings?

3

How will you support teachers to take risks and innovate with distance or virtual learning?

4

In what ways will you monitor how collaboration is increasing student engagement and empowerment?

5

How will you get and give feedback, coaching, and opportunities for intentional learning across teams?
